# PVCu Windows & Doors

We manufacture PVCu windows using Veka Halo System 10 and Rustique window systems, two of the leading profiles on the market today.

**BESPOKE PVCU ENTRANCE DOORS NOW AVAILABLE**

Our Bespoke PVCu Entrance Doors are available in wide range of styles to create the authentic appearance of a timber door but with all the modern benefits of PVCu.

- Choose from a wide range of door designs
- Pick your preferred door colour from either our standard or extended range
- Create your own bespoke combination of glass/panel designs
- Add the finishing touches by choosing from a wide variety of door furniture options

We also supply a popular **Flush Sash** product range. The design of our Flush Sash windows and doors are ideal for heritage homes, providing the traditional timber appearance with the benefits of PVCu.

## Composite Doors

The design possibilities are endless with the Composite Door collections available from industry leading brands Xtremedoor and Solidor.

### Solidor Key Features

- Unique 48mm solid core
- Exceeds Building Regulations for thermal efficiency
- Secured by Design available
- 23 colours inside and out

### Xtremedoor Key Features

- Thermally efficient
- Weather resistant
- Secured by Design accredited
- A wide range of door styles & extras available

### Conservatory Roofs

We supply complete conservatory packages with the Wendland conservatory roof. Our Wendland conservatory packages can be used for a variety of domestic or commercial projects including home extensions, shops, restaurants, gazebos and swimming pool enclosures.

#### We can supply Wendland conservatory packages in the following styles:

- Georgian
- Victorian
- Lean-to
- Gable
- T-Shape
- Lantern Roof
- Orangeries

### Lantern Roofs

A Wendland lantern roof provides a stunning focal point for any kitchen, living room or dining room.

Wendland lanterns are packed with thermal features to avoid condensation build-up. From the thermal rider rail to the thermal clips, these features combine to ensure excellent performance, especially important in a kitchen where heat levels can change quickly.

#### Key features of the lantern roof:

- Clip-on features – fast to fit
- RidgeLOCK – perfect fit every time
- Simple neat design
- Less bars than other lanterns
- No visible fixings
- High thermal performance

## Aluminium Products

Direct Trade (Yorkshire) Ltd aluminium products are manufactured using the Stellar or AluK systems, with profiles available in single and dual colour options.

Stellar is an adaptable system with exceptionally slim sections, excellent performance and a high-quality finish. We supply the Stellar Slimline Aluminium Bi-Fold Door, Lift & Slide Patio Door, Flush Casement Window and the Fully Flush Casement Window.

#### The key product benefits include:

- Standard colour doors including grey on white available in 2 weeks (direct to site if required)
- Part L compliant with standard 28mm glass units
- Slimmer meeting stile sightline - 117mm as standard
- Pre gasketed clip in bead (no wedge gasket saving substantial time on installation)
- Lock stile adjustment built in PAS-24, SBD and Document Q options available

# ALUK<sup>®</sup>

Aluminium Bi-folding doors and Patio doors are also available in the AluK range.

#### Key features and benefits:

- Wide range of configuration options
- Complete range of handles and accessories
- PAS 24/Doc Q compatibility for security and to meet new build standards
- Full range of standard and bespoke colours
- Dual colour option for inside and out
- Sturdy and reliable sliding mechanism
- Low threshold option for room dividers
- High performance as standard

Hallmark Doors  
& Panels Ltd

#### Premium Aluminium Panels

#### Key features and benefits:

- Thermally efficient
- 4 stage pre-treatment
- Over 50 design choices
- 1000's RAL & BS colours
- Matt, Satin or gloss finish

## Longstanding Relationships with Industry Leading Suppliers

“*Direct Trade (Yorkshire) Ltd is one of VEKA’s leading trade fabricators in the UK and our 18-year relationship is a testament to their strength and success in the industry.* As manufacturers of our Halo System 10 and Rustique systems, along with FlushSash and Imagine Patio, their varied product offering, and exceptional production quality, makes them well equipped to offer an ideal solution for every situation to their trade customers.

**Amy Steven**  
Divisional Sales Director – VEKA plc

## Epwin Group

“*We have worked with Direct Trade (Yorkshire) Ltd since 2022 when they began fabricating our award-winning Stellar aluminium system. During this time, we have developed a strong business relationship. They are a very successful business that offers quality products and a strong service commitment. We value the strength of our growing partnership and look forward to developing our relationship further over the coming years.*”

**Katrina Earl**  
Sales Director – Epwin Window Systems

“ Direct Trade (Yorkshire) Ltd & MACO UK have shared a proud partnership, that stretches over two decades. MACO are proud to be associated with one of the industry’s leading trade fabricators. Both organisations have grown and supported each other to make sure both the installer and the homeowner receive a quality solution. Direct Trade (Yorkshire) Ltd have built their reputation on offering an excellent overall service alongside equally valued solutions which is backed up by knowledge and experience, all values that we mutually share here at MACO.

**Stephen Langton**  
National Sales Manager – MACO Door & Window Hardware (UK) Ltd

“ Glass Systems have had a productive working relationship with Direct Trade (Yorkshire) Ltd for over 20 years. During this time, they have established a strong and dependable reputation in the window industry, supplying market leading products and providing nationwide delivery. They have an extensive range of products and an expert team for all technical and sales support. We are delighted to be a part of their success story!

**Khaled Elleboudy**  
Managing Director – Glass Systems

**Keith Sadler**  
Managing Director –  
Vista Panels

“ Vista have proudly supplied Direct Trade (Yorkshire) Ltd with XtremeDoor composite doors and PVC panels for the past 20 years, and together we work hard to ensure we provide installers with the best possible products backed by high levels of service. At Vista, we consider our customers to be valuable partners, and so it’s important that we cater for their needs and provide them with the support they need to grow. It’s been an honour working with Direct Trade (Yorkshire) Ltd and to have seen them thrive over the years, and we very much look forward to working with them for many years to come.

“ We’ve been working with Direct Trade (Yorkshire) Ltd one of the UK’s leading window and door fabricators for over a decade now, and it is an honour that they continue to come to Yale for their hardware needs. We supply them with our Yale Lockmaster – Britain’s best-selling multi-point door locking system – as well as a selection of our Yale high security cylinders. I hope our relationship will continue to flourish long into the future.
